

Harvard University Employee Self Service Online Direct Deposit Instructions

It is not necessary to submit a paper Direct Deposit form if you enter your Direct Deposit information into PeopleSoft using Employee Self Service.

All you need are your ID# and your PIN#:

- Go to <http://harvie.harvard.edu> and click the Go button next to the “PeopleSoft” dropdown (top right).

- Enter your ID# and PIN#, then click “Authenticate” to gain access to your personal PeopleSoft information.
- Click through the following path to access your direct deposit account information:
Home > Self Service > Employee > Tasks > Direct Deposit
- You can add, delete, or edit an account:
 - To **ADD** an account, click the “Add an Account” button, fill in the information requested*, and click “Save.”
 - To **DELETE** an account, click the “Delete” button, then click “Yes” or “No” when PeopleSoft asks for confirmation.
 - To **EDIT** an account, click the “Edit” button, update the appropriate information*, and click “Save.”

After any update, be sure to review all your account information (percentages, amounts, balance account).

- * *PeopleSoft will ask for the “Transit Number/Bank ID”—this number is the nine-digit number in the bottom left corner of your check. The number to the right of the transit/bank ID on your check is your account number. (To the right of your account number, you will see your check number; DO NOT include this number as a part of your account number, as it will result in a data error with your bank and delay the receipt of your paycheck.)*
- * *Include all zeros in your account number, but do not enter any special characters such as dashes or spaces. For example, if your account number is 00012-345, enter 00012345.*

Please note that when you initiate direct deposit or change your bank account information, the first check after you submit the information will be a live check. This allows us to validate your bank account number and transit/routing number prior to initiating electronic deposits into your account.
