#### **Footnotes**

\* MArch I AP students are recommended to take BTC in the spring of their second semester, however they may elect to fulfill the BTC requirement in the fall if that better suits their academic goals.

\*\* A minimum of one studio option must be taken from those offered by the Department of Architecture.

\*\*\* Students are required to fulfill the following distributional electives:

- 8 units of advanced history electives
- 4 units of global culture and diversity electives
- 4 units of professional practice electives

An approved list of distributional electives is posted each term. Please note that some courses may count toward the satisfaction of two distributional electives. For example, an advanced history course may also fulfill a global culture and diversity requirement.
